

**LOCAL 1180
ENDORSES**

Jordan Wright

**NYS ASSEMBLY
DISTRICT 70**

Fourth-Generation Harlemiter

Jordan Wright is a **fourth-generation Harlemiter** who has been shaped by education, activism, and a politically engaged family. He knows that while **education is the key to progress in all areas of life**, it is not equally available to all -- and he plans to change that.

By **teaching and coaching at a local school, joining NY County Democrats, and becoming part of Community Board 11** where he has focused on **parks, open spaces, and licenses**, Wright realized that Harlem is where his heart has always been.

Being so involved in his Harlem community has taught Wright to play a pivotal role in **amplifying the voices of marginalized communities**. He remains **steadfast in his commitment to effecting positive change and advancing the principles of justice, equity, and inclusivity**.

As a child of the village, a former community board member, Chief of Staff for the city council representative, Jordan Wright knows what it takes to be the **best representative of the 70th Assembly District**, which is why **CWA Local 1180 is endorsing him in the upcoming election**.
